

MISTER DEO

MISTER DEO brings to homes, offices, places of leisure and work, a perfume that identifies that place, giving life to a sensory experience capable of fixing the image in memory through smell. Strongly characterizing fragrances make your rooms unique and unmistakable.

ADVANTAGES

They make the environments pleasant and are persistent to be perceived even after 3 days from their application.

FIELDS OF USE

Homes, sports clubs, schools, hotels, motels, condominiums, hospitals, nursing homes, public buildings, buses, subways, cars, ambulances, taxis, used car dealers, restaurants, spas, funeral homes, veterinary clinics, etc.

Mister deo with lemongrass allows you to create an olfactory barrier that keeps mosquitoes away.

RECOMMENDATIONS FOR USE

Shake the bottle and spray directly in the corners of the rooms, on plants, walls, carpets, even in the toilet water, it acts quickly and remains persistent for a long time.

Drain outlets and pipes: pour 50 cc into the drains.

Available in the following fragrances: talc, light dawn, boreal, musk and blackberries, white musk, lotus flower, dolce vita, aloe vera, green earth, lavender, lemongrass.
