

REFILL DEGREASER MARSEILLE CONCENTRATED

The practical refills of strong concentrated degreaser guarantee considerable cost savings without having to give up the high degreasing power.

With a refill bottle it is possible to obtain 5 bottles of ready-to-use degreaser.

Supereco strong concentrated degreaser is a universal product designed to clean and renew surfaces soiled by oils, greases and greases of all kinds. Its special formula is not aggressive on any type of fabric, metal, flooring and commonly used equipment.

It works effectively against all types of dirt.

Marseille is particularly suitable for removing stains and pretreating fabrics.

ADVANTAGES

Thanks to their super-concentrated formula, the supereco refills guarantee a considerable saving of packaging that pollutes the environment and a reduction in costs for the user since it saves on packaging costs and on the costs of transporting unnecessary volumes.

METHOD OF USE - DOSAGE

The product is in concentrated form and must be diluted:

Use the notches on the bottle as a reference.

Each notch (50 ml) corresponds to the quantity of product needed to obtain a 500 ml bottle ready for use.

Pour 50 ml of product into an empty 500 ml bottle and complete the filling with water.

We recommend using spray bottles.

USE

Spray the product directly on the surfaces to be treated, wait for it to act then remove the dirt with a damp cloth.

Rinse with clean water.
